

N is for Noah...

"My Catholic ABC Book" - Page 14

The flood continued upon the earth for forty days. As the waters increased, they lifted the ark, so that it rose above the earth.

Genesis 7:17

N is for Noah

who prepared for rainy weather.

Materials:

- text & image templates (included below)
- construction paper (9x12in):
dark blue, red, light blue, brown, tan, white
- scissors
- glue sticks
- crayons/markers

Option 1: Construction Paper Cut-Outs (see photo example)

**Note: For this option, you must be able to make photocopies on construction paper*

1. Use **Templates B-E** to make copies of the craft pieces on colored paper. Each template will list the color to use and the number of pieces you need for each child.
2. Choose the text style that suits your class, and copy the related **Text Template (F-J)**. Cut the strips so that each child has the top and bottom sentence strip ready to glue.
3. Give each child a 9x12 background book page. (see photo for color suggestion)
4. Instruct students to complete the sentence strips (read, trace, or write), and glue them on the top and bottom of the page, leaving plenty of room in the middle for their images.
5. Students should then cut out the colored paper images and glue them in place on their book page. Help students figure out the best order to glue, as some pieces overlap:
 - * "N" in upper left, then position ark pieces and glue down lightly, leaving a little space to tuck Noah's body in. Glue body, head, and then raindrops. Students may add a face/hair.

Option 2: Students Color & Cut (not shown)

1. Make one copy of **Template A** for each student on white construction paper (use regular copy paper if you do not have the option to photocopy onto construction paper)
2. Instruct students to use crayons/markers to color the images on the template.
3. Choose the text style that suits your class, and copy the related **Text Template (F-J)**. Cut the strips so that each child has the top and bottom sentence strip ready to glue.
3. Give each child a 9x12 background book page. (see photo for color suggestion)
4. Instruct students to complete the sentence strips (read, trace, or write), and glue them on the top and bottom of the page, leaving plenty of room in the middle for their images.
